Notes

1 A billing cycle runs from the third-last business day of the month to the fourth-last business day of the following month. Your transaction list will reflect the fees for all transactions that you effected in the previous billing cycle. In other words, you are billed one month in arrears.

2 Includes NetBank internet banking, Telephone Banking: Agent-assisted and Cellphone Banking WAP. SMS Banking and Telephone Banking: Self-service are free.

3 These fees apply at all stores where cash at tillpoint is offered, for example the Pick n Pay group, including Score and Boxer.

4 This fee is only applicable to MasterCard cards and is calculated at 2% of the transaction value. For example, if you swipe your card overseas for the rand equivalent of R500, the fee will be R10,00.

5 For current-account products you will automatically be mailed one (free) statement per month, unless you choose electronic statements.

For savings account products you will need to request a statement to be mailed and a fee will apply.

Notes

6 Notifications can be sent from other functions. However, a fee will be charged for each notification sent.

7 Facility fees, while prescribed by the National Credit Act, may differ for internal banking segments.

8 Exclusive of rates charged by network provider.

Nedbank is committed to making its fee structures simple, transparent and easy to understand. To this end plain language and simple naming conventions are used in all our literature.

You can also call the Nedbank Contact Centre on 0860 555 111 (office hours), where bank fees specialists are available to assist you with any fee-related questions.

The Nedbank Bank Fees Calculator is an easy-to-use online tool that can assist you in understanding and calculating the fees applicable to your specific account type. It also enables you to compare your current fees with that of other Nedbank products, as well as with fees charged by the other South African banks.
